

YALBA

WHAT WE OFFER

LEGAL ADVICE

The lawyers affiliated with the Network YALBA provide their advice and assistance, in and out of court, to private, companies, public institutions and other professionals, both Italian and foreigners, in the various areas of law. In particular they are specialized in the following areas:

- **Civil Law**
- **Commercial Law, Bankruptcy Law and Commercial Criminal Law**
- **Industrial law**

LIFE SCIENCE ADVICE

Our consultants are experienced biotechnologists. They can provide advice by data analysis, literature search and scientific texts translation. In particular the fields of greater competence concern:

- **Food / Agriculture**
- **Environment**
- **Medical Health**
- **Pharmacology / Tossicology**

ACCOUNTING AND TAX ADVICE

Economists and business accountants affiliated with the Network YALBA are able to provide advice to private, companies, public institutions and professionals, in and out of courts, in the following areas:

- **Accounting and evaluation**
- **Internal and international taxation**
- **Tax planning**
- **Litigation**

WHO WE ARE

All professionals affiliated with the Network YALBA are distinguished by great competence, gained over time thanks to work and research activities carried out in their individual fields.
