

Curriculum Vitae

<i>Name</i>	<i>Andrea Elio SPRIOS</i>
<i>Birthday</i>	<i>September 29, 1981</i>
<i>Birthplace</i>	<i>Turin</i>
<i>Nationality</i>	<i>Italian</i>
<i>Residency</i>	<i>C.so Toscana, 14 10149 Turin - ITALY</i>
<i>Phone</i>	<i>+393478455525</i>
<i>e-mail</i>	<i>ae.sprio@gmail.com</i>

EDUCATION

- 2010-01: Ph.D. Degree in “Pharmacology, Experimental and Clinical Therapy” with a thesis entitled “*Isolation, characterization and plasticity of a continuous stem cell line (MURI) from the dental pulp*” at the Second Faculty of Medicine of the University of Turin, Italy.
- 2005-07: Master Degree in “Medical Biotechnology” awarded through the defense of a thesis entitled “*Pharmacokinetic of o,p-dichlorodiphenyldichloroethane*” at the Faculty of Medicine of the University of Turin, Italy, with honors.
- 2003-07: Bachelor in “Biotechnology”, with a thesis entitled “*Mimetismo molecolare nell’Autoimmunità da infezioni*” at the University of Turin, Italy, with honors.
- 2000-07: High School degree in “Chemical and Biologic Laboratory Technician” at IPSIA “Ada Gobetti Marchesini” in Turin, Italy, with honors.
- 2000-06: Role of Control and Testing Quality Operator issued by the Province of Turin.

PROFESSIONAL EXPERIENCES

- 2017-08/2018-07: Research Fellowship for the project: “Periodontitis and inflammation: pharmacological treatment with natural compounds” at the Dept. of Clinical and Biological Sciences, University of Turin.
- 2016-09/2017-03: Research Fellowship for the project: “Identification of a diagnostic score for the selection of patients undergoing partial laryngeal surgery” at the Otorhinolaryngology Service, San Luigi Gonzaga Hospital, Orbassano, Turin
- 2015-06/2016-05: Research Fellowship for the project: “Tumors with poor prognosis: innovative approaches to the treatment” at the Dept. of Clinical and Biological Sciences, University of Turin.
- 2014-05/2015-04: Research Fellowship for the project: “Evaluation of percutaneous absorption of drug-loaded nanoparticles” at the Dept. of Clinical and Biological Sciences, University of Turin.

- 2013-11/2014-02: Training Research Fellowship for the Project: "Rule of Y1 in the chemically induced carcinogenesis" at the Dept. of Clinical and Biological Sciences, University of Turin.
- 2008-09/2009-10: Training Research Scholarship for the Project on "Preclinical testing of DNA-based vaccination in head-neck lesions and tumors" at the Dept. of Clinical and Biological Sciences, University of Turin.
- 2007-10/2008-03: Training Research Fellowship for the Project: "Identification of new molecular targets in head and neck carcinomas" at the Dept. of Clinical and Biological Sciences, University of Turin.
- 2005-05/2007-07: Part-time contract of autonomous collaboration for the development and production of diagnostic kits for Bio-Tek/Kontron and Merck-Hitachi Liquid chromatography (HPLC), at the Bioanswers s.a.s. company, located in v. Varallo 21 / a -10153- Turin, Italy. Quality Manager.
- 2004-05/2005-08: Animal facility manager at the Clinical and Biological Sciences Department of the University of Turin, Italy. Pharmacological and surgical treatment supervisor within the Animal Facility.

TECHNICAL SKILLS

- Biochemistry: Assays with UV-HPLC and ICP-MS
- Surgery: Dissection of specific organs and tissues in animal models
- Morphology: Histochemical and immunohistochemical techniques on samples of human and animal origin. Confocal microscopy.
- Molecular Biology: Protein analysis by Western blotting and immunoprecipitation, extraction of RNA and DNA, design and validation of specific primers for PCR and RT-PCR, analysis of gene expression by real-time PCR, COMET assay.
- Cell culture: Isolation of primary lines of both stem and tumor derivation, maintenance of continuous cell lines in culture. Employment of normoxic and hypoxic culture conditions.
- In Vitro Diagnostic Devices: Design, manufacture and marketing of diagnostic kits for HPLC, employing cation exchange or reverse-phase columns.
- Statistics: descriptive, multivariate, and inferential statistical analysis
- Guest Editor for: Stem Cells International
- Reviewer for: BioMed Research International
The Scandinavian Journal of Clinical & Laboratory Investigation
Journal of Physiology and Pharmacology
Molecules

XV Congresso Nazionale della Società Italiana di Ricerche Cardiovascolari (SIRC), Imola (Bologna), October 9-11, 2008.

TEACHING ACTIVITIES

- AA 2017-2018: - lecturer in Toxicology at the University of Turin for the bachelor's Degree in Biology;
- teaching assistant in Pharmacology at the Medicinal School of University of Turin for the bachelor's Degrees in Nursing, and Dental Hygiene
- AA 2016-2017: - teaching assistant in Pharmacology at the Medicinal School of University of Turin for the bachelor's Degrees in Nursing, and Dental Hygiene
- AA 2015-2016: - teaching assistant in Pharmacology at the Medicinal School of University of Turin for the bachelor's Degrees in Nursing, Pediatric Nursing, and Dental Hygiene
- AA 2014-2015: - teaching assistant in Pharmacology at the Medicinal School of University of Turin for the bachelor's Degrees in Nursing, Pediatric Nursing, and Dental Hygiene
- AA 2013-2014: - teaching assistant in Pharmacology at the Medicinal School of University of Turin for the bachelor's Degrees in Nursing, Pediatric Nursing, and Dental Hygiene
- AA 2013-2014: - teaching assistant in Pharmacology at the Medicinal School of University of Turin for the bachelor's Degrees in Nursing, Pediatric Nursing, and Dental Hygiene
- AA 2012-2013: - teaching assistant in Pharmacology at the Medicinal School of University of Turin for the bachelor's Degrees in Nursing, and Pediatric Nursing
- AA 2011-2012: - teaching assistant in Pharmacology at the Medicinal School of University of Turin for the bachelor's Degrees in Nursing
- AA 2010-2011: - teaching assistant in Pharmacology at the Medicinal School of University of Turin for the bachelor's Degrees in Nursing
- AA 2009-2010: - teaching assistant in Pharmacology at the Medicinal School of University of Turin for the bachelor's Degrees in Nursing
- AA 2008-2009: - teaching assistant in Pharmacology at the Medicinal School of University of Turin for the bachelor's Degrees in Nursing
- AA 2007-2008: - teaching assistant in Pharmacology at the Medicinal School of University of Turin for the bachelor's Degrees in Nursing
- AA 2006-2007: - teaching assistant in Pharmacology at the Medicinal School of University of Turin for the bachelor's Degrees in Nursing

OTHER KNOWLEDGES

- Good knowledge of Windows OS, OSX.
- Good management of MS Office.

OTHER EXPERTISE

11/2012: passing the course "Competition Judge B" at the Italian Shooting Sport Federation (UITS) resulting in enrollment in the relevant register

04/2010: passing the course "Range Officer" at the Italian Shooting Sport Federation (UITS) resulting in enrollment in the relevant register

SPORT MERITS

- Third place at the 2016 UITS Italian Championship in the Group B 25-metre Center-Fire Pistol event
- Second place at the 2015 UITS Italian Championship in the Group B 25-metre Standard Pistol event
- Third place at the 2013 UITS Italian Championship in the Group B 25-metre Standard Pistol event
- First place at the 2011 UITS Italian Championship in the 25-metre Center-Fire Pistol team event

Turin, February 26, 2018
